Modi Government splurges over Rs 4,300cr in publicity: RTI

MUMBAI, May 14

The government of Prime Minister Narendra Modi has so far splurged a whopping Rs 4,343.26 crore only for advertisements and publicity through different media, it has been revealed under RTI, an activist said here on Monday.

Mumbai-based RTI activist Anil Galgali had sought details from the centre's Bureau of Outreach and Communication (BOC) on all spend on advertisement and publicity in all media since the present government assumed office. The replies provided by Financial Advisor, BOC, Tapan Sutradhar on the expenses incurred since June 2014, were a revelation on the massive spends, but owing to all-round criticism of the government, there was a small reduction -- almost Rs 308 crore -- in 2017, said Galgali.

As per the replies, from June 2014 to March 2015, the government spent Rs 424.85 crore in print publicity, Rs 448.97 crore on electronic media and Rs 79.72 crore on outdoor publicity, totalling to Rs 953.54 crore.

In the next fiscal 2015-16, the spending increased substantially for all media. These included, Rs 510.69 crore on print media, Rs 541.99 crore on electronic media and Rs 118.43 crore on outdoor publicity, or a total of Rs 1,171.11 crore. In 2016-17, the expenditure incurred on print medium dropped (yet higher than the first year June 2014-March 2015), to Rs 463.38 crore, but for the electronic medium it increased over the previous year to Rs 613.78 crore, and catapulted to Rs 185.99 crore on outdoor publicity, totalling to Rs 1,263.15 crore. The next year, April 2017-March 2018, there was a sharp drop in spending on electronic media over the previous year to Rs 475.13 crore and a significant drop in outdoor publicity expenses to Rs 147.10 crore.

The RTI replies also said that between April-December 2017 (nine-month period), the government spent Rs 333.23 crore on the print medium alone, with the total figure of last fiscal (April 2017-March 2018) coming to Rs 955.46 crore. *IANS*

Karnataka Election 2018: Tight security at 38 counting centres ahead of poll results

BENGALURU, May 14

With polling passing off peacefully, the focus has now shifted to ensuring Tuesday's counting of votes for the assembly polls also goes off without a hitch.

State police and other security personnel are taking no chances and have turned counting centres located in different parts of the state into fortresses.

Except for candidates, agents who have authorised passes from respective political parties and media persons, counting centres will be out of bounds for the public. Police have also banned celebrations, processions and bursting of crackers around the 38 counting centres — five are in Bengaluru — to avoid any untoward incident, while prohibitory orders will be imposed from Monday evening.

Security measures at each counting centre will be supervised by an officer of the rank of superintendent of police (SP) or deputy com-

missioner of police (DCP). Designated areas will be demarcated where people will be allowed, while all police officers below the rank of SP will be on bandobast duty.

Kamal Pant, additional director general of police (law and order), said: "Paramilitary forces, armed forces including the Karnataka State Reserve Police (KSRP) and civil policemen will be deployed to control the crowd and avoid any untoward incident at each counting centre. The respective SPs have been given the liberty to use Rapid Action Force (RAF) troops to maintain law and order in their jurisdiction."

Bengaluru police have planned a three-layer security arrangement at the five counting centres in the city.

Seemant Kumar Singh, additional commissioner of police (east), revealed that the inner layer (strong room) will be guarded by paramilitary personnel, while the middle layer (premises of the counting centres) by KSRP personnel and the outer layer (outside and at the entrance of counting centres) by Bengaluru city police personnel.

Bengaluru police commissioner, T Suneel Kumar, additional commissioners Seemant Kumar Singh and B K Singh and other senior officers on Sunday visited the five strong rooms in the city where the EVMs are kept and reviewed security arrangements. A DCP has been assigned to each centre to monitor security.

Over 100 police and a company of CRPF personnel will be deployed at each centre, while police (constables up to inspector rank) will guard the strong rooms in three shifts. Prohibitory orders will remain in effect until late night on Tuesday. *TNN*

CBI files chargesheet in PNB loan fraud case

MUMBAI, May 14

The CBI on Monday filed a chargesheet against some former and current bank officials and several others in the over Rs 13,000 crore Punjab National Bank (PNB) fraud case allegedly perpetrated by diamondaire Nirav Modi and his uncle Mehul Choksi.

The agency filed the chargesheet before a special Central Bureau of Investigation (CBI) court here. The chargesheet is based on the first FIR of the agency registered on January 31 against Modi, his wife Ami, brother Nishal and uncle Choksi along with some others following January 29 complaint to it by the Deputy General Manager of the PNB's Zonal office in Mumbai. The CBI later registered two more FIRs in connection with the case. Most of the accused in these cases are common. So far, 19 people have been arrested in the case.

Renowned theoretical physicist Sudarshan passes away

TEXAS, May 17

Acclaimed scientist Ennackal Chandu George Sudarshan, popularly known as E C G Sudarshan, passed away in Texas on Monday. The 86-year-old physicist was nominated for the Nobel prize in Physics nine times.

Sudarshan was a professor at the University of Texas for the past 40 years and had made numerous contributions including optical coherence, Quantum zero effect,

Sudarshan-Glauber representation, V-A theory among others. He was honoured with several awards like ICTP Dirac Medal, Padma Vibhushan (2007), Padma Bhushan, Majorana Prize, TWAS Prize, Bose Award (1977) and C V Raman Award (1970) among other awards.

The world-renowned scientist made path-breaking discoveries in the realm of quantum optics in a career spanning five decades.

Sudarshan was also the first to prove wrong Albert Einstein's theory that 'Nothing moves faster than light' and proposed the existence of Tachyons, the particles that move faster than light. Sudarshan is survived by his wife and three children. *IE*

SC to hear Kathua witnesses plea on May 16

NEW DELHI, May 14

The Supreme Court will hear the plea of three witnesses in the Kathua gangrape and murder case, alleging that they are being harassed by the state police, on May 16.

A bench of Chief Justice Dipak Misra and Justices A M Khanwilkar and D Y Chandrachud today agreed to hear on Wednesday the plea of Sahil Sharma and two others, who are college friends

of the juvenile accused in the case. According to their plea, they had already recorded their statements before the police and the magistrate.

The three witnesses had in their statement before the magistrate said they gave their statement to the police under coercion.

The petition today alleged that the state police was now asking them to re-appear and re-record their statements and exerting pressure in their families. *PTI*

PM Modi to visit Russia next week for informal summit with Putin

NEW DELHI, May 14

Prime Minister Narendra Modi will travel to Russia on May 21 for an informal summit with Russian President Vladimir Putin, the Ministry of External Affairs (MEA) announced on May 14. The informal summit will be held in Russian city of Sochi.
